

Alive After Five

Get It Together or Let It All Hang Out

Or do both with FM AdFed at *Alive After Five*.

We'll be getting together from 5-8 p.m. on Thursday, November 10 at Lauerman's downtown location to chill out, liven up and wash away the hassles of the day. There's no charge for this no-stress social, but drinks are on your own tab. Join us!

Please pass this on to your friends and colleagues – anyone and everyone is welcome, as long as you're 21 or over.

See you there!
