

It takes a great team to  
pull off a great performance.

At Microsoft, we work together  
to imagine the possibilities,  
develop potential and help  
our business partners  
deliver on the grand stage.

We're proud to be part of  
an ensemble that's enriching  
the Fargo-Moorhead community  
through support for the arts.  
Congratulations to Trollwood and  
its young performers on yet  
another exceptional production.
